Dear Friends & Fellow Deer Farmers,

It brings us much pleasure to present to you our 2024 Hind Sale catalogue. The enclosed contains a number of quality breeding hind offerings, a small selection of weaner hinds, embryos, semen and this year a group of rising 3-year-old velveted stags as well.

It has been extremely pleasing for us to see the results of our breeding programs coming through this year, especially with the performance of our new sire Kraken. We were absolutely gutted to lose him at the end of the roar, but we do have hinds incalf and a limited amount of semen in the tank from him. Our stags continue to lift every year, and we were very pleased to see a big gain in not only score but in and length, span and circumferences in our crop of commercial trophy stags this year.

With the success of our embryo program this year, we are able to offer a number of highly specialised embryo lots from the very best bloodlines currently available. This offers discerning buyers a unique opportunity to add to their herds the very best trophy antler genetics currently available.

All of the rising two year old hinds we have on offer were either multi sire mated, or single sired and then mobbed up for the last cycle. The sire team that was used included Kraken, 21556 and 21554.

We have updated our terms and conditions this year so please make sure you check them out on the next page.

We wish you well in your purchases and welcome any pre sale enquiries, either directly or through your preferred deer agent.

Kind regards

Richard, Sarah and the team

Vendor Sale Conditions

1. No animals, embryos or semen sold by Black Forest Park, or their germplasm, any subsequent progeny or germplasm, including the semen and germplasm of that progeny may be supplied to a third party without the written permission of the stud.
2. This condition does not affect normal commercial deer farming or stud farming or the normal sales of semen or embryos as it only applies to entities with the primary function of commercial semen/germplasm activities.
3. It is a condition of sale of any animals, embryos, germplasm or semen sold by Black Forest Park, that the purchaser agrees to include the following clause as a condition of any subsequent sale or gift of any animal, embryo, semen, germplasm or subsequent progeny or germplasm to a third party - "the purchaser acknowledges that it will not supply any animals, embryos, semen or germplasm to any commercial semen/germplasm marketing or sales entity, and will ensure that this clause is inserted as a condition of any sale or gift of any animals, embryos, semen or germplasm."
4. The sale will be conducted by BIDR and Rural Livestock with the conditions of sale as set down by the Stock & Station Agents Association, a copy of which is displayed.
5. The deer are the purchaser's property and risk at the fall of the hammer.
6. Except as otherwise expressly provided in these conditions, no guarantee, representation or warranty of any kind is made or given as to the soundness, condition or quality of any livestock sold in this sale.
7. All Hinds on offer have been vetted in calf and are guaranteed pregnant. Any claims regarding the pregnancy status of the animal must be veterinary verified and raised with the vendor prior to 10 October 2024.
8. Terms are strictly cash unless prior arrangements are made with the auctioneers. Accounts not paid within 14 days of sale shall bear interest, at current rate per annum from the date of sale.
9. The sale is conducted exclusive of GST.
10. Overriding commission is payable to non-participating companies and recognised independent agents introducing and accompanying purchasers to the sale at 4% providing prior arrangements are made with Rural Livestock 24 hours prior to the sale.
11. Intending purchasers are required to register with BIDR prior to the commencement of the sale.

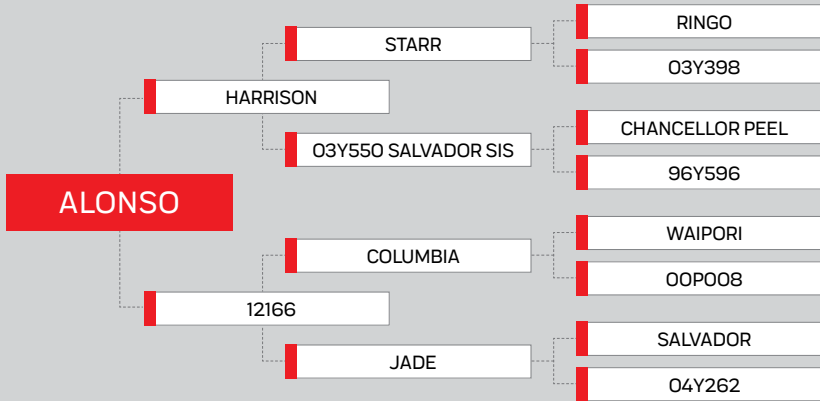

DISCLAIMER

All details and descriptions as to stock listed in the catalogue have been supplied by the vendors although every care has been taken to ensure accuracy in the reproduction of such details and descriptions. Rural Livestock Ltd and their employees or the vendors do not accept any responsibility or liability as to mis-descriptions, errors, omissions, or mis-statements contained therein, including those mis-descriptions, errors, omissions, or mis-statements.

Alonso

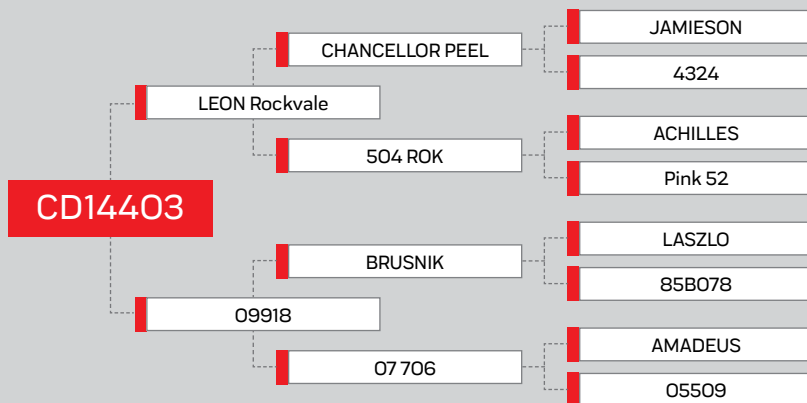

SHOWN AT 7YRS

Alonso is an outstanding Harrison son out of a very special Columbia Hind. With very heavy antler, huge tops with good length, he is impressive. His 6 year old head measured an outstanding 934 inches, and won him the accolade of Trophy Antler Champion at the 2022 National Velvet and Hard Antler Competition. He was taken as a trophy at 7 years old, becoming one of the first Stags to break 1000 inches and scored a World Record 1164 ²/₈".

REFERENCE SIRE

14403

SHOWN AT 6YRS

We purchased 14403 in partnership with Criffel Deer Farm from Crowley Deer in 2017. He breeds very well across our bloodlines adding mass and points to our long wide open style heads, while maintaining our traditional structure. He was third in the 2017 Rising Stars Competition as a 2 year old.

Cobra

SHOWN AT 6YRS

Cobra has a huge wide head with clean beam of good circumference and length. He is very like his Sire, Python, and we are looking forward to seeing his progeny come through.

REFERENCE SIRE

Comet

SHOWN AT 9YRS

Comet has an attractive big open style head with main beams of 42 and 44 inches, and inside span of 38. We haven't used him as extensively as we would have liked, as we've been unable to match his mother. His own performance as he matures and that of the few progeny we've bred are proving this awesome Cosmos son's worth as a Sire.

Cosmos

SHOWN AT 6YRS

Cosmos was a very unique Stag with his massive spread and a heavy beam that's clean and has correct placement. He was huge and leaving progeny with good velvet as well as trophy potential. Salvador over Awesome over a Cobalt sister – breeding just what the NZ Trophy Industry requires to stay ahead.

Dimitri

4YR OLD VELVET HEAD SHOWN

Dimitri's 4 year old velvet head weighed 9.5kg, and was placed second in the 4 year old section in the National Velvet competition in 2018. With correct placement and only very small snags to fault him, his head is clean and very attractive. Unfortunately now deceased, but we are pleased to watch his young progeny go on to out-perform him. We have a limited amount of Semen available from Dimitri.

REFERENCE SIRE

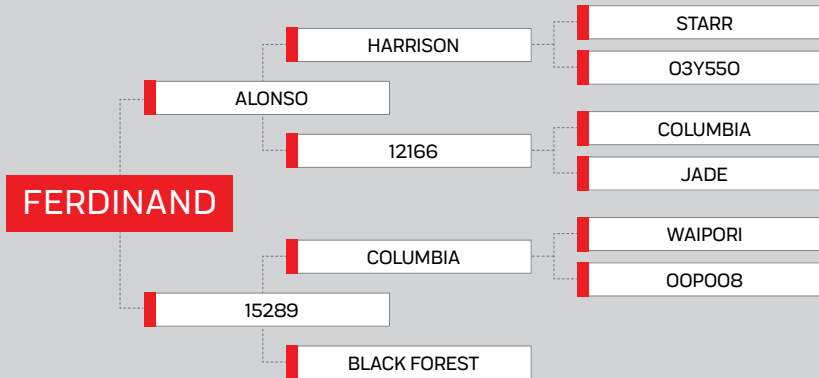

Enzo

SHOWN AT 4YRS

The Apex Waipori combination has bred us many great Stags and Enzo is one of the best. We also have another Sire bred by his mother, so he is from a strong pedigree and will pass it on.

Ferdinand

SHOWN AT 5YRS

Owned in partnership with John Scurr. An amazing Alonso son who at 3 years has surpassed his Sire's performance for that age. With massive multi pointed antlers set with an attractive wide style, he has a very heavy beam as well. He carries this huge head very well.

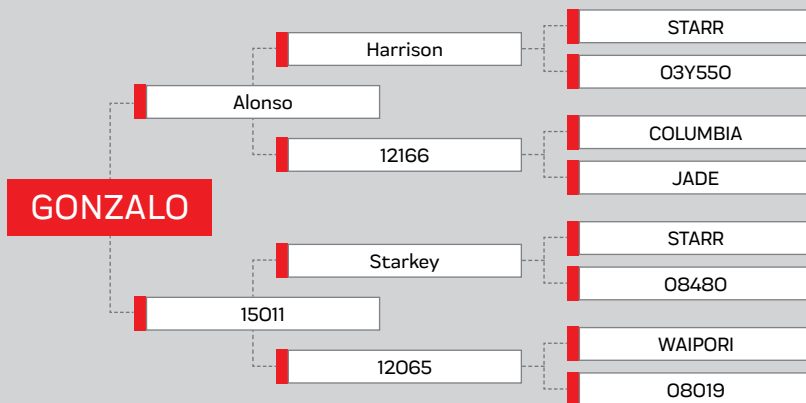

REFERENCE SIRE

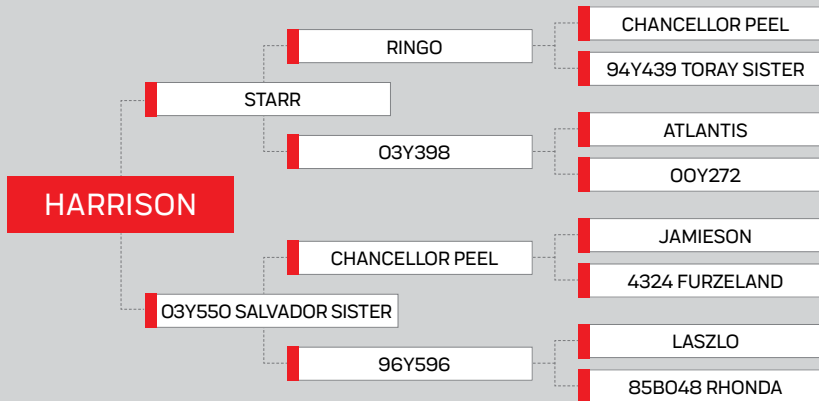

Gonzalo

SHOWN AT 5YRS

Another of our new Sires, Gonzalo is an Alonso son from a Starkey daughter out of a Waipori over Salvador Hind. As a 3yr old he was almost a carbon copy of Starkey with bigger circumferences.

Harrison

SHOWN AT 5YRS

Outstanding son of Starr from a Salvador sister, he has a strong pedigree behind him and is impressive. Unfortunately damage to his left pedicle has compromised his own antler performance, but his value as Sire is compelling, and with sons like Alonso he sure is passing it on.

REFERENCE SIRE

Kraken

SHOWN AT 2YRS

Outstanding breeding and performance from our newest master Sire Kraken, a Sapphire son out of the mother of Alonso. He was 616 inches at 2 (including burrs and span), and a big bodied Stag which gave him the carrying capacity for the massive head he produced. Unfortunately we lost Kraken at the end of the roar and we have only a small amount of Semen in the tank.

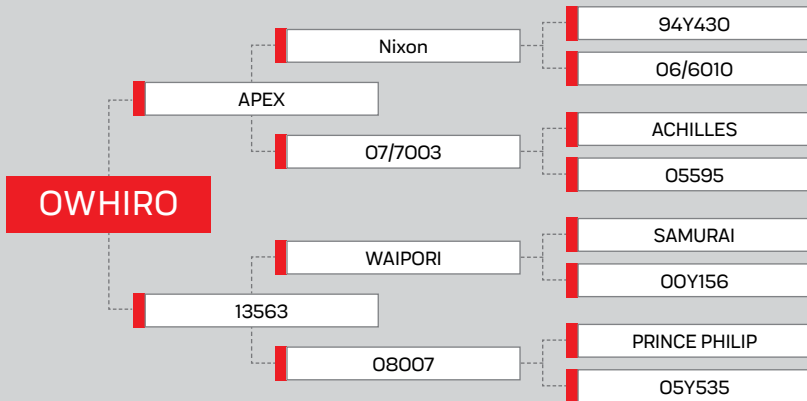

YEAR	WEIGHT (kg)	ANTLER

Owhiro

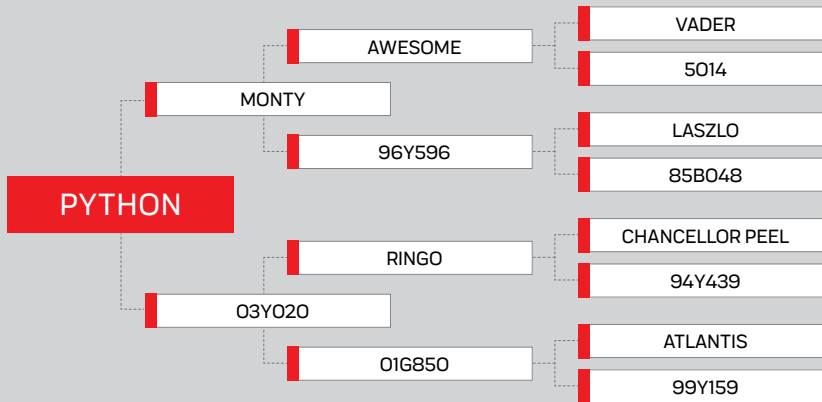

6YR OLD HEAD SHOWN

Owhiro has a long, wide, heavy and attractive head. His 6 year head was 621 IOA with 45 and 41 inch long main beams, 8 to 9 inch circumferences, 32 inch inside span and 35 points.

Python

SHOWN AT 9YRS

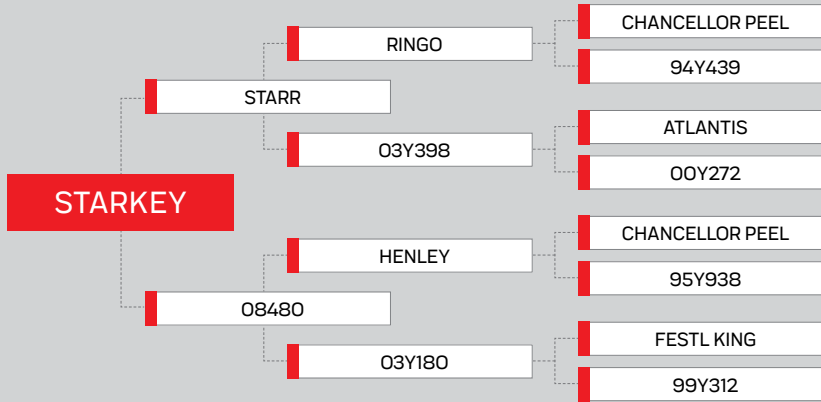

We had Python in our Sire group for a number of years. Unfortunately now deceased, he had a very attractive head that was heavy in the beam, clean with good length and spread. A true multipurpose Sire for Velvet and trophy.

Starkey

SHOWN AT 7YRS

Outstanding Starr son almost identical to his Sire for age. With his symmetry, width, length and kickers he has a great style and presence about him. A strong pedigree for big wide outstanding trophy and velvet Stags.

This sale will be hosted by bidr® (www.bidr.co.nz) as a fully online, SEQUENTIAL auction, with the sale being opened at Lot 1 at the specified sale start time, and all bidding occurring online as the sale moves through the catalogue in sequential order.

The closing of bidding on each lot is controlled by the expiry of the countdown timer. All intending purchasers must register on bidr® in advance of the sale date, by visiting the website and using the "sign up" button, adding their contact information and nominating the agency they would like to purchase through an account held with that agency.

The bidr® team is contactable on 0800 TO BIDR (0800 86 2437), or email enquiries@bidr.co.nz for assistance at any point.

Alternatively, contact your local bidr® representative:
